## The Property Ladies Around Town

In each newsletter we will highlight some of the exciting events that are happening in our communities.  
*Covid-19 phase permitting*

### Keeping the Kids Busy Over March Break

This March Break might be a little quieter than usual, but there is lots of fun to be had at home and in your own neighbourhoods!

- **Potato Stamping** slice a potato in two and carefully carve out a shape. Dip in paint and stamp away! Potatoes can be kept in water in the fridge for up to a week.

- **Stained Glass Window Clings** draw a pattern on contact paper and colour with permanent markers. Cut out the shape, peel off the backing and place on a window for the sun to shine through.

### The Property Ladies Spread a little Love!

This month we were excited to support local entrepreneur [LOve Bombs](#) by delivering hot chocolate bombs to clients and friends around town! Hot chocolate bombs make the perfect gift or special treat to enjoy at home.

Your best move.
